TEXAS STADIUM GENERAL INFORMATION

Parking lots open four hours before every game and allow tailgating parties.

To get around traffic exit onto Spur 482, or Storey Lane, from both directions of State Highway 183. In addition, eastbound State Highway 114 traffic can go past the parking lot bottleneck near Loop 12 and use the northbound Spur 482 exit and westbound Highway 114 entrance ramps. That maneuver allows drivers to essentially make a U-turn and come back on Highway 114 to a lesser-used parking lot entrance.
